Case No. 2:13-cv-02293-GMN-NJK
ORDER

16 This matter is before the Court on the parties' Proposed Discovery Plan and Scheduling
17 Order. Docket No. 13. The proposed discovery plan misstates Local Rule 26-4, in that it provides
18 that requests to extend deadlines in the scheduling order need only be filed 21 days before the
19 discovery cut-off. *See id.* at 2. Local Rule 26-4 requires that any request to extend deadlines set
20 forth in the scheduling order must be submitted at least 21 days before the subject deadline. For
21 example, any request to extend the deadline for initial expert disclosures must be filed at least 21
22 days before the expiration of that deadline. Such a request filed only 21 days before the discovery
23 cut-off would be untimely.
